1 Pursuant to Federal Rule of Civil Procedure 6(b) and Northern District of California  
2 Local Rules 6-3, Plaintiff Paul Somers requests a 7-day enlargement of time, until May 25, 2016,  
3 to complete joint letters with respect to discovery deficiencies as was ordered by the Court at the  
4 telephonic meeting with the Court on April 14, 2016. Under the current schedule, the joint letters  
5 are due on May 18, 2016. Good cause for an extension is present to complete a proper submittal  
6 to the Court in the format required under the Standing Orders and due to fact that Plaintiff  
7 recently lost time to devote to the matter due to hospitalization. The Plaintiff approached the  
8 Defendant requesting stipulation to the the extension which they have denied for unknown  
9 reasons.

10 There have been no previous time modifications in this action and the requested time  
11 modification would have no other effect on the schedule of this case. The requested 7-day  
12 enlargement of time would permit both parties have ample time to ensure the letters are complete  
13 and represent both parties views. In the absence of an extension, this ability would be prejudiced.  
14 It is for these reasons that the Court should grant the requested enlargement to provide ample  
15 time until May 25, 2016.
